4 Bedroom, 2.00 Bathroom, 1,792 sqft  
Residential on 0 Acres

N/A, Ontario,

Welcome to 1325 W Ralston – a home where comfort, space, and style come together beautifully. This 4 bedroom, 2 bathroom property sits on nearly half an acre with ADU possibilities, and is everything you’ve been looking for in a home! Step inside to an inviting open floor plan anchored by a large, chef-inspired kitchen featuring sleek quartz countertops, generous storage, and room to entertain with ease. The seamless flow from kitchen to living area creates a bright, airy feel – enhanced by expansive sliding doors that open to a gorgeous covered patio and an absolutely giant backyard, perfect for gatherings, play, or quiet evenings outdoors. This home’s curb appeal sets the tone from the start, while thoughtful upgrades continue inside. The primary suite offers both privacy and comfort, complete with its own fireplace that provides a tranquil retreat. The living room also features a cozy fireplace, adding warmth and charm throughout. Outside, enjoy two storage sheds, RV parking with a concrete pad, and block walls surrounding the backyard for added privacy and security. The extended driveway easily accommodates up to six cars, with plenty of additional street parking for guests. Enjoy solar power for lower bills year round! Whether you’re hosting, relaxing, or simply enjoying the space, this home delivers it all – inside and out.
