Residential on 0 Acres

Sierra Del Oro, Corona,

Tucked into the quiet curve of Sierra del Oro, 3580 Santo Thomas Circle is the kind of home that feels both lived-in and elevated, offering five bedrooms with the convenience of a full bedroom and bath downstairs, ideal for guests, aging parents, or the kind of flexibility today's buyers quietly hope for. The entry opens into spacious formal living and dining rooms filled with natural light and grounded by updated LVT flooring that adds both durability and warmth. Just beyond, the remodeled kitchen becomes the true heartbeat of the home, finished with gray shaker cabinets, modern hardware, quartzite countertops, recessed lighting, and a blend of black and stainless appliances that give the space a clean, modern tone. A breakfast nook ties the kitchen to the family room, where a brick fireplace serves as the natural gathering point. Up the spiral staircase, the primary suite stretches out with cathedral ceilings, a large walk-in closet, separate tub and shower, and dual vanities that make the room feel more like a retreat than a routine. Three additional upstairs bedrooms share a well-designed hall bath, while carpet underfoot creates a softer, quieter style of living. Throughout the home you'll find thoughtful upgrades including custom ceiling fans, an updated wet bar, a generous downstairs laundry room, and a three-car garage with direct access. Outside, the backyard feels like a natural extension of the living space, offering a grand patio cover, concrete deck, and a built-in barbecue area

designed for weekend grilling or relaxed evenings at home. The manicured slope behind the property adds privacy, greenery, and a peaceful backdrop to a home that blends size, comfort, and everyday practicality in one of Sierra del Oro's most desirable pockets. You're going to feel right at home here!
