A rare value-add opportunity in one of Placentia's most stable, long-term appreciation markets.

Welcome to a classic 3-bedroom, 2-bath single-story home offering incredible upside for both investors and homeowners looking to design their dream space. Originally built in 1928 and thoughtfully reimaged in the 1980s, this home blends its original character with solid bones—making it the perfect blank canvas for your next project.

Sitting on a 5,400 sq ft lot, the property offers a spacious backyard with room to reconfigure, expand, garden, or create the outdoor living space you've always wanted.
