Welcome home to 8200 Priscilla St - a spacious two story home, NO HOA, competitively priced for this square footage home for the new buyer. With a rare open-concept kitchen and an incredibly flexible layout, the options are plenty. Step inside to find a generously sized living room and a layout that gives you plenty of options. The open kitchen flows into a space that can function beautifully as a dining area, family room, or casual hangout zoneâ€”whatever fits your lifestyle. From the kitchen, you can look directly out to the fenced yard, making it easy to keep an eye on outdoor games or enjoy the view of your private green space. In a neighborhood where open-concept kitchens are hard to come by, this layout truly stands out. Downstairs, you'll find a full bathroom, a separate living room, and a bonus roomâ€”perfect as a home office (w/ separate entrance), creative studio, or optional 4th bedroom. Upstairs are three more generously sized bedrooms, including the primary with a large walk-in closet and an updated FULL bathroom with new shower/tub. All rooms enjoy plenty of natural light and privacy, and the home has been freshly painted throughout, with new lighting and plush carpeting upstairs for a clean, modern feel. Other highlights include a large separate laundry room with hookups in the carport, and interior storage space for bikes, tools, or recreational gear. The private driveway can accommodate three vehicles behind the gate, making parking easy

and secure. Sitting on a well-manicured and low maintenance fenced corner lot, offers plenty of space for pets to roam and loved ones to gather. Located in the prestigious Blue Ribbon award winning Downey School District, known for its top-tier academic programs, it is the perfect place to put down roots and take advantage of this amazing opportunity.
