Experience authentic New York-style loft living in the heart of Anaheimâ€™s most vibrant urban district.

This stunning true loft boasts soaring 14-foot ceilings, and massive industrial-style windows that flood the space with natural light and frame dramatic city views. The expansive open-concept floor plan (over 1,600 sq ft) flows effortlessly from the sleek chefâ€™s kitchen with stainless steel appliances and granite counters to the generous living and dining areas, perfect for entertaining large groups or hosting unforgettable gatherings.

Polished concrete floors, automatic blinds, and a neutral modern palette give the home an unmistakable downtown NYC edge while enjoying the laid-back Southern California lifestyle. The primary suite features expansive closet space with a walk in closet plus secondary closet, and bathroom with dual vanities. A second bedroom space and a stylish guest bath create a loft like and thoughtful layout. Completing the space is an extra den that can be used as a third room or office.
