Residential on 0 Acres

N/A, Jurupa Valley,

I am pleased to present a stunning, turnkey four-bedroom, two-and-a-half-bathroom home located in a highly desirable Jurupa Valley community. This property is just a short distance from Louis Vandermolen Fundamental Elementary, place of worship, Goose Creek Golf Club, shopping and easy freeway access.

The first floor features a living room, a half bathroom, and an open-concept living space that seamlessly connects the kitchen, dining room, and family room with a working fireplace. The custom kitchen and island are finished with granite countertops.

All four bedrooms are located upstairs. The primary suite boasts a large five-piece en-suite bathroom and an extensive closet.

Outdoor features include a permitted inground pool and spa, which were added in 2020. The pool light and water features are customizable and controllable via a phone application. The property also sits on one of the largest lots on the street (10,000+ sqft) and includes potential RV parking.

Completing this exceptional package are paid-off solar panels. This is truly a must-see home. Professional photos coming soon.
