4 Bedroom, 3.00 Bathroom, 2,013 sqft
Residential on 0 Acres

N/A, Redondo Beach,

Welcome to this new construction California modern townhome. The home features engineered oak hardwood floors and an open floor plan upstairs, perfect for entertaining. The first floor offers two bedrooms and a full bathroom, a convenient laundry room, and storage space tucked neatly under the stairs. Upstairs you'll find a luxurious primary bedroom suite, the 4th bedroom, and another bathroom. All the bathrooms are beautifully tiled with thoughtful design details. There is a beautiful fireplace in the living room and the 3-panel sliding door leads to a large deck to enjoy the great outdoors. The kitchen is impressive, boasting sleek quartz countertops, top-of-the-line KitchenAid stainless steel appliances, and ample prep space. This home is built for modern living with smart home conveniences like prewiring for cameras, speakers, and a central vacuum system. CAT 6 cables are installed in every room, and it's AC-plumbed (just needs the condenser!). Plus, a Google Nest Suite of Products is included for your doorbell, thermostat, and door lock. The garage is equipped with 220V for your electric vehicle charger. The tankless water heater, and its internal recirculating pump, provides instant hot water. And for added convenience, the garage door is equipped with a LiftMaster MyQ app-compatible side mount motor. To top it off, this home has solar panels, making it both eco-friendly and energy efficient. This is the perfect blend of modern luxury and comfortable living. Did we mention the great

schools and proximity to the beach?
