Residential on 0 Acres

N/A, Manhattan Beach,

Move-in ready, Mid Century modern retreat with an added flex room that can be a 4th bedroom. Interestingly, it's closer to the beach than most Tree section homes. With it's charming exterior, fabulous pool, and expansive gated outdoor space wraps around the residence, offering two private yards. Fleetwood doors slide easily and create indoor-outdoor living at it's best. The interior has an excellent layout with excellent options down the road. Perfect and simple project to add on square footage, or if you build up, there is a great ocean view and all the advantages a corner lot has to give.

Built in 1955
