Residential on 0 Acres

N/A, Manhattan Beach,

Truly something extraordinary, this large, ultra-private home with pool is ready for move-in, and is being sold fully furnished. What a world-class slice of the Hill Section! Built as a labor of love, this luxurious and timeless home offers singular quality and richness of detail. It's a quiet retreat that brings feelings of a restful vacation amid rolling hills in Italy. Gather friends and family in the light, bright and wondrous indoor/outdoor entertaining spaces. Rustic elegance is the theme of the chef's kitchen, which blends top-tier appliances with authentic materials and marvelous stone from around the world. Flooring and exposed beams all across the home are crafted from reclaimed wood from Pennsylvania barns. The open kitchen flows to the family room, and out to a covered outdoor living room with fireplace. The pool is surrounded by a spacious, stone-paved pool deck and a loggia with its own bath. Ever-changing colored lights in the pool and hot tub help to make evening events all the more special. Upstairs, the spacious primary bedroom has a cathedral ceiling, exposed wood beams and a balcony. Your primary bath features a bubbling, jetted tub that reheats the water, and a three-head shower with body sprays. All three additional upstairs bedrooms are ensuite, one with a built-in desk area. The fifth bedroom now functions as an office downstairs, off of the main living spaces. Convenient Hill Section location is near the Gelson's market, and just a few minutes

downhill to Robinson Elementary, or a few minutes east to Mira Costa high school. There is so much to love, including the value proposition. This home offers easily the highest quality for the money and lowest PPSF west of Sepulveda. ** Note: Photos are from prior listing, and while largely accurate, may not fully reflect current furnishings, etc.
