N/A, Gardena,

A truly Move-in condition and tastefully remodeled SoCal ranch charmer sitting handsomely on a lovely and tranquil cul-de-sac in the ever popular Merit Tract of centrally located Gardena. This truly is the best buy in a single family home currently on the market - and it shows beautifully - with fresh interior paint throughout. There are quartz counters, and tile backsplashes in the spacious bright kitchen with loads of modern cabinetry, stainless steel appliances, convenient bi-fold doored laundry, and breakfast bar that opens to a family room with plenty of light giving windows looking out to your private patio and grassy yard beyond. A Lovely living room with functional fireplace and corner meeting windows that flood the interior with additional light and the scent of your own plumeria tree when in season. The two full bathrooms complement the kitchen remodel with handsome cabinetry and quartz counters. Closets are mirror wardrobed and contain customized storage. The master is en-suite with well appointed bathroom and there's plenty of room for a California King bed, dressers and more. The cement driveway and side yard is wide enough to easily accommodate an RV, boat, or trailer. And there's a 2 car attached garage. Outside a big covered patio for those fine weather days and evenings when BBQs are mandatory. Raised rear planters and a grassy yard beckon and awaken that dormant green thumb to till and sow. And last but not least - a location

convenient to literally everything; shopping, dining, entertainment and EZ freeway access. With a walk score of 53 and bike score of 64, both far above the norm - this home is not only lovely but healthy as well! A winning combo and a home that will keep on giving. Don't wait on this one. See it today!
