The newly painted exterior with new landscaping, lighting, mailbox, and more makes the curb appeal very inviting. Once you step inside, you will feel the spacious layout with good-sized rooms, especially the primary bedroom and kitchen with their vaulted ceilings. The inside of the home has also been newly painted, and new window treatments have been installed.

The long driveway can hold 5-6 additional cars with the majority of the spaces being behind the gate. There is a large room adjacent to the 2-car garage, just over 300 SQ FT (NOT PART OF THE LIVING SQUARE FOOTAGE), that is a great flex space to meet your current or future needs. The driveway was just recently resurfaced with the new front gate added. The flex room currently has laundry and built-ins for additional storage and room for so much more.

The kitchen and bathrooms are all generous in size and feature granite countertops on the cabinetry. The primary bedroom has direct access to the en-suite bathroom. The large kitchen offers vaulted ceilings and an adjacent room with additional cabinetry and countertop

space, which is ideal for a coffee station area. An entry door into the kitchen offers ventilation and access for easy outdoor cooking and access to the back of the home, garage, and yard. There is great outdoor space with a front yard, backyard, and a long driveway with an adjacent patio.

An updated irrigation system is installed in the front and back yards.
