Every block has that one house where all the neighbors want to be... the "hangout spot". Don't buy this house unless you're an entertainer who likes visitors, because who needs poolside vacations when everyone can just come see you! The rear family room, patio, and huge backyard with pool are a winning combination for entertaining or just enjoying a sunny day at home. The cozy family room has vaulted ceilings and a wood burning fireplace. It's the perfect spot to jump out of the pool, have a bite to eat at the dining table, and warm up by the fire! There are many other great features of this home including a huge master suite, and a fully finished attached garage that is the perfect gym, office, or 3rd guest room. Many updates exist including newer windows, updates to plumbing, and a remodeled kitchen. This is a freshly painted turn-key house that's ready to just move in furniture. To top it all off...
