N/A, Manhattan Beach,

Dreaming of that storybook home with all the modern luxuries? Meet 3013 N Poinsettia Ave—a contemporary farmhouse masterpiece perched on a coveted corner lot in the heart of Manhattan Beach's Tree Section. With its white picket fence charm, soaring curb appeal, and a front yard that practically begs for gatherings, this 6-bedroom, 5-bath beauty blends classic allure with today's most-wanted features.

Step inside and feel the magic: high, wood-beamed ceilings, a cozy fireplace, and accordion doors that fully fold open to the front yard, blurring the lines between indoor elegance and outdoor living. Natural light pours through every corner—especially in the showstopping two-story stairwell with oversized windows that flood the space in sunshine. Flowing effortlessly from the formal dining room (with an entire wall of windows) is the chef's kitchen, equipped with custom cabinetry, top-tier stainless steel appliances, quartz countertops (found throughout the home), and a layout that makes entertaining a breeze.

Downstairs, you'll find two spacious bedrooms, including one with its own en-suite bath—perfect for guests or multi-gen living—plus a separate laundry/mudroom to keep things tidy. Head upstairs to your private sanctuary: the vaulted-ceiling Primary Suite, complete with two balconies to take in the

ocean air, and a spa-inspired bath featuring dual vanities, a soaking tub, a glass walk-in shower with dual heads, and a massive walk-in closet. Three additional bedrooms complete the second level—two that share a hallway bath, plus a private studio-style suite above the garage, complete with its own entrance, kitchenette (yes, full stove, oven, and fridge), and bathroom. The studio is accessible through a pocket door in the Primary Suite’s walk-in closet, which can be locked if rented separately.

When it comes to outdoor spaces, this home delivers: a wraparound brick patio and grassy front yard perfect for summer soirées, multiple decks, plus a private back patio with an in-ground jacuzzi and an outdoor shower—perfect for rinsing off after a beach day or post-jacuzzi dip. Tucked on one of the loveliest tree-lined streets, you’re less than a mile from Pacific Elementary and walking distance to the beach, downtown Manhattan Beach, The Point, and Manhattan Village.

Stylish, functional, and just the right amount of dreamy—this isn’t just a house. It’s the lifestyle upgrade you’ve been waiting for.
