Residential on 0 Acres

N/A, Redondo Beach,

Located on a quiet, lightly trafficked street in the north end of the Golden Hills this single family home just screams comfort. The top floor living area is open and bright, with a flow that is different than many of its peers.

Voluminous vaulted ceilings and its western and southern frontal exposure ensures plenty of natural light and beautiful breezes. With three bedrooms and two baths in almost 1,800 sq ft, there is ample space to live life in comfort. There's nice outdoor space with an actual useable and private backyard and a great sunny deck off the family room which will require sunglasses at times!. There have been quality upgrades performed over time including wood floors, newer windows, updated kitchen and a fabulous garage. An overall fantastic home in a great North Redondo Beach neighborhood...

Built in 1979
