N/A, Sherman Oaks,

Homey, Heartfelt and Full of Possibilities. Welcome to 4734 Buffalo Ave, a single-story sweetheart that wraps you in comfort the moment you walk in, with plenty of space to stretch out and bring your personal vision to life. With 2 beds, 2 baths, plus a convertible den (hello, home office/playroom/movie night central), this 1,646 sq ft gem sits pretty on a lush 7,280 sq ft lot in a quiet, tree-lined pocket of Sherman Oaks. From the curb, itâ€™s all good vibes: a grassy front lawn, blooming roses, mature trees with an old-school swing (yes, itâ€™s as peaceful as it sounds), and classic character that draws you right in. Inside, the light and bright living room welcomes you with light wood floors, a built-in bookcase flanking the fireplace, and a full wall of windows framed in plantation shutters-aka your front-row seat to natureâ€™s daily show. The living room flows seamlessly into the sunny dining area and a kitchen that brings the charm: two-tone navy and white cabinetry, stainless steel appliances, tons of counter space, plus a pantry and laundry room tucked just around the corner. Bonus: there's even a pet door, because the furry family members deserve the good life, too. Need a second hangout space? The den delivers, with its cozy brick fireplace and sliding doors leading to backyard bliss. Speaking of, which one do you want first? The pergola-covered deck for al fresco dinners? The separate patio lounge zone? The grassy lawn perfect for cartwheels and cornhole? Or the privacy-shielding trees

and bursts of bougainvillea? It's a choose-your-own-outdoor-adventure kind of yard. Back inside, the spacious primary suite is a retreat of its own with backyard access, dual mirrored closets, and a beautiful ensuite featuring a dual sink vanity and a seated walk-in shower with dual showerheads (morning routines just got a glow-up). The second bathroom is bright and cheerful, bringing vintage vibes with both a tub and a walk-in shower, plus extra hallway storage to keep things clutter-free. All tucked in a residential sweet spot near Westfield Fashion Square, Trader Joe's, Notre Dame High, Louis Armstrong Middle, and just moments from the best of Ventura Blvd's restaurants and shops. This one's got that warm, "feels like home" energy, but don't be fooled. It's also a smart canvas for your next chapter. Schedule a showing and start imagining the possibilities (but don't wait too long, homes like this have a habit of becoming someone else's dream come true).
