N/A, Redondo Beach,

Located in the highly sought-after area in North Redondo - "The TRW Tract" Why so great. Its an all single family neighborhood so you don't sit next to townhomes and apartments, the most charming of neighborhoods in NRB. This single-level charmer sits on May Avenueâ€"maybe the favorite in the Tractâ€"and is just a short stroll to Anderson Park. From the moment you lay eyes on the storybook brick staircase and cheerful pop of color from the flower-filled front yard, you'll know this home is something special. Curb appeal? Nailed it. A front porch that practically waves hello? Check. And once you're insideâ€"just wait. Recently painted inside and out, with newly restored wood floors, updated landscaping, this one-story stunner packs a whole lot of style and comfort into just under 1,900 square feet of light-filled living. With 3 bedrooms, 2 full baths, and an open-concept floor plan that flows like a dream, itâ€™s got everything you need (and a few things you didnâ€™t realize you wanted). The formal living room welcomes you with rich wood floors, arched walkways, and a cut-out kitchen window that makes entertaining effortless. The dining area and kitchen are perfectly nestled between both living spacesâ€"ideal for everything from pancake mornings to game nights. The kitchen is the heart of the home, featuring granite countertops, warm wood cabinetry, newer appliances, bar seating, and easy access throughout. Then there's the Great Roomâ€"a

vaulted-ceiling beauty with skylights, a cozy fireplace, added living and dining space, ceramic tile floors, and French doors that open to your backyard paradise. Bonus: a full bathroom right there for guests or post-yard-play cleanup. All three bedrooms are light, bright, and just the right amount of close—making this layout a major win for families. The primary bedroom is tucked just off the formal living room and features its own en suite bath. The hallway bathroom serves the two additional bedrooms and includes a shower/tub combo.
