N/A, Hermosa Beach,

Wake up to soft ocean breezes drifting through your home as the day unfolds. A 28-foot Fleetwood sliding glass wall opens entirely to your private backyard, creating a seamless indoor-outdoor environment ideal for entertaining. The glass wall continues as a sliding window that pockets away, transforming into a countertop bar that connects your kitchen directly to the built-in grilling station outside—perfect for effortless gatherings and sunset dinners with friends. Inside, a 10-foot Arabescato Belgia marble island anchors a chef’s kitchen equipped with a 48-inch Wolf range, Sub-Zero refrigeration, and custom cabinetry, blending functionality with refined design. The open-concept layout flows beneath 10-foot ceilings with sand-blasted Douglas fir beams, complemented by wide-plank white oak floors and designer lighting throughout. Upstairs, the primary suite features a 12-foot glass wall that opens to peekaboo ocean breezes, while the spa-inspired bath offers a freestanding soaking tub, a glass walk-in shower with a bench and sky light, and dual walk-in closets ready for your personal touch. Each bedroom includes its own en-suite bath and either a built-in or walk-in closet, providing comfort and privacy for family and guests. Modern living is made seamless with smart home features including WiFi access points on every floor, a Ring security system, Nest climate control, and Cat6 wiring throughout for blazing internet speeds.
