Calling all investors, this property is a MUST see; in need of some TLC! Located in Los Altos neighborhood of Long Beach, this property has potential to shine. The 405 and 605 freeways are near--with plenty of shopping and nature within minutes. The house is 1,500 square feet on a 6,700+ square foot lot. Upon entering from the front porch, you will walk into the living room that is a great size and features a fireplace. To the west of the living room, you enter the hallway that leads you to 3 bedrooms, 2 bathrooms, and a bonus room. To the north of the living room, you will find the kitchen and dining area. Just past the dining area sits the family room, comparable to the size of the living room and also has a fireplace. Entering into the backyard you will find yourself under the shade of the outdoor patio area looking over to the backyard that boasts a shady tree and mid-size shed. Along the east side of the property is the long driveway that fits not 1, not 2, but 3 cars--and that's aside from the 2 car garage that sits detached from the house on the northeast side of the property. This house is awaiting its investor to swoop in and turn it into something extraordinary.
