Bold, dark exterior details set this detached townhome apart—a striking first impression that hints at the sophistication inside. This new construction townhome exudes modern elegance. The oversized black pivot front door immediately commands attention, leading into a spacious, open-concept living area where soaring ceilings create an expansive feel. The gourmet kitchen is a showpiece, featuring top-of-the-line Thermador appliances, white oak cabinetry, elegant quartz countertops, and a stunning island that flows into the dining room.

White oak engineered hardwood flooring brings warmth throughout the home, balancing the boldness of the exterior.
