Residential on 0 Acres

N/A, Torrance,

This rare Hansel and Gretel storybook home is magical and enchanting. A vintage Tudor-style architectural charmer located on a large private flag lot in the desirable West High neighborhood of Central Torrance. This 3-bedroom, 2-bathroom home includes an office for you remote workers (or also works well as a nursery or library). The primary suite includes a walk-in closet, soaking tub and double sink vanity. Special care and expertise were taken to marry modern conveniences with the original character and craftsmanship of the 1920s English Tudor. By maximizing every inch of this home you'll be pleasantly surprised by how bright, airy and open each space feels. Completely and tastefully landscaped, areas include a picnic table, raised flower beds, private gate and fence, large back deck and backyard; no detail has been spared. The new kitchen features colorful shaker cabinets, a farmhouse sink, quartz countertops and black stainless appliances. The living room floods with light from the expansive windows, and you'll enjoy the warmth of the fireplace, high ceilings and unique moldings and details. Just in time for summer entertaining, BBQs, and casual South Bay living. A new roof, very large attic storage, refinished original floors and quality finishes truly make this a unique storybook house that you'll want to call home.

Much love and expense were put into the newly installed gate and entry, lush landscape and rear garden and deck. This one won't last!
