Residential on 0 Acres

N/A, Gardena,

Lovingly Maintained for Over 40 Years â€” A Gardena Gem!

Welcome to this cherished family home, lovingly cared for by the same owners for over four decades. Located in a quiet and friendly neighborhood, this 3-bedroom, 1.5-bath offers 1,240 sqft of comfortable living space on a generous 5,718 sqft lot.

Inside this thoughtfully maintained home, you'll find an inviting floorplan featuring hardwood floors, copper plumbing, a newer water heater, and Winston security screens on all doors and windows. All appliancesâ€”including a new washer and dryerâ€”are included for your convenience.

The expansive driveway leads to a two-car garage with a new garage door and offers potential RV parking. The fully gated property provides added privacy and peace of mind.

The backyard is a true retreat: completely fenced and private, it features a spacious covered patio and a charming gazebo area, ideal for relaxing or entertaining. The well-manicured lawn is bordered by soil thatâ€™s prepped and turned annuallyâ€”perfect for your vegetable garden. Mature fruit trees including avocado, persimmon, and lemon are complemented by fragrant gardenia and jasmine, with night-blooming jasmine lining the fence just outside two of the bedrooms.

A standout feature of the property is the custom-built 11x22 shed (valued at \$20,000), offering limitless possibilities—whether you envision it as storage, a she-shed, man cave, meditation room, or outdoor entertainment hub.

This is more than just a house—it’s a home filled with warmth, potential, and decades of care. Don’t miss this rare opportunity to make it your own.
