Bathed in natural light and perched on a scenic hillside with panoramic views of the city, this meticulously crafted townhome offers 2,775 sq ft (Buyer to Verify) of elegant living space and premium finishes throughout, including rich wood flooring across all levels.

Enter through a grand entryway into a thoughtfully designed layout featuring two spacious bedrooms, each with its own en-suite bath. Storage is generous, with two closets and a large, easily accessible space beneath the stairs.

Upstairs, the open-concept second floor invites effortless entertaining with a chef's kitchen outfitted with top-grade appliances and a striking quartz waterfall island. The bright and welcoming living room flows seamlessly to a spacious deck—perfect for evening relaxation or hosting guests.

Also on this level is a third bedroom with a walk-in closet and a full bath, offering flexibility for guests, a home office, or multigenerational living.

The primary suite is a true retreat, complete with a grand en-suite bath, double vanity, and sophisticated detailing.

Ascend the stairsâ€”graced with an artistically crafted custom railingâ€”to the mezzanine level, where youâ€™ll find a built-in bar and wine fridge and access to a private rooftop deck with stunning city lights viewsâ€”an ideal space for sunset gatherings or tranquil evenings under the stars.
