Charming 1926 Spanish Revival Home with
Endless Potential!

Step into a piece of Los Angeles history with this classic 1926 Spanish-style single-family residence. Featuring 3 spacious bedrooms and 1.25 bathrooms, this home showcases original architectural details including arched windows, a covered front porch, and a timeless stucco exterior.

Located just minutes from Downtown LA, Inglewood, SoFi Stadium, the California Science Center, and the upcoming Lucas Museum of Narrative Art, this property offers unbeatable access to some of the city's most exciting cultural and entertainment destinations.

The home sits on a generous 5,264 sq. ft. lot with a gated driveway and features a bright living room, a separate dining area, and a large backyard with plenty of room to expand. A detached two-car garage may offer potential for conversion to an Accessory Dwelling Unit (ADU)â€”buyers are advised to check with the City regarding feasibility and permitting requirements.

While the property needs significant repairs and updates, it presents a rare opportunity to restore a home with true character or reimagine it to suit your vision.
