Residential on 0 Acres

N/A, Los Angeles,

This reimagined Spanish home by Den and Dwell is the ideal setup for modern family living—stylish, spacious, and fully gated for maximum privacy. Tucked behind ficus hedges and an electric gate on a tree-lined street, the ample 3BR/2.5BA main home spans 1,833 sq ft and includes a detached ADU, a resort-style pool and spa, and lush landscaping in both the front and back yards.

Inside, vaulted 15'™ ceilings, wide-plank wood floors, and custom-arched details bring warmth and drama to the sunlit living room. The open layout flows into a dining room and chef's kitchen with a 7-ft oak island, Taj Mahal quartzite counters, stainless appliances, and custom cabinetry—designed with everyday living and entertaining in mind.

The primary suite sits in its own wing with skylights, a walk-in closet, and a spa-like bath with Zellige tile, microcement walls, and terracotta star-and-cross tile. Two additional bedrooms share a designer full bath and are perfect for kids, guests, or a home office.

The fully permitted ADU includes a bathroom, kitchenette, and serving window that opens to the pool deck—perfect as a guest suite, studio, or bonus space. Outside, layered ficus hedges and privacy fencing frame a flat lawn in front and a peaceful oasis in back. A long driveway offers parking for 3+ cars.

Located between Los Feliz and Glendale Blvd in the heart of walkable Atwater Village—just steps from Spina, Dune, Hail Mary, Proof, and the LA River bike path. Timeless architecture, smart updates, total privacy, and an unbeatable location—Casa Revere is the family home you’ve been waiting for.
