

\$895,000 - 1830 Alvarado Street # 14, Los Angeles

MLS® #SB25154097

\$895,000

2 Bedroom, 3.00 Bathroom, 1,548 sqft
Residential on 2 Acres

N/A, Los Angeles,

Perched on a peaceful hill in Elysian Heights, this end-unit offers sweeping DTLA and canyon views, tons of space, and unbeatable value. With 2 ensuite bedrooms, a loft, and a bonus bedroom, it lives like a 4-bedroom home—plus a 2-car garage, private roof deck, and three balconies for the best of SoCal indoor-outdoor living. This unique elevated location, set in a quiet neighborhood while still being in the middle of the city, is something you have to come see for yourself.

Soaring cathedral ceilings, skylights, and windows on three sides flood the main room with light and a seductive cross breeze. The living room features a fireplace and opens to a balcony with Instagram-worthy downtown skyline views. The updated kitchen includes a 9-foot silestone island with a built-in vacuum system, stainless steel appliances, and even more views to DTLA and K-Town. Upstairs, the bright loft space would be an inspirational WFH office, while the spacious roof deck offers true outdoor space with panoramic city views.

Two main-level bedrooms each have updated en-suite baths, including a primary with dual sinks, a step-in shower, and the walk-in closet you've been looking for. Downstairs, the bonus bedroom includes its own walk-in closet and would make an ideal guest room, music studio, or second office. The oversized 2-car garage includes ample built-in storage solutions and a

dedicated reverse osmosis water filter and softener system.

Other features include low-maintenance laminate hardwood floors throughout, 7.1 surround sound, an in-wall safe, a tankless water heater, and an in-home laundry room.

Located in hip and happening Echo Park and nestled within a secure gated complex with grassy lawns, youâ€™ll have amazing walkability to Canyon Coffee, the Echo Park section of Sunset Blvd, Mohawk Bend shops, and even Dodger Stadium. While being an easy commute to anywhere and just moments away from Downtown, Hollywood, and all Northeast LA has to offer, this home presents an extraordinary opportunity to own your own full-size slice of paradise for under 900K.

Built in 1991
