N/A, Rancho Palos Verdes,

Contemporary elegance and refined craftsmanship come together in this exceptional Rancho Palos Verdes residence. Situated on a flat lot just moments from top-rated, nationally recognized schools, this home was reimaged from the ground up in 2017 by acclaimed French architect J. Thibault. The result is a thoughtfully curated living experience defined by sophistication, comfort and quality. Spanning over 3,200 square feet, the home offers 6 bedrooms and 5 bathrooms, including a convenient Jack-and-Jill setup. The main level is anchored by a bright and open layout, where the living and dining spaces flow seamlessly into a sleek kitchen outfitted with Thermador appliances, Italian cabinetry and striking waterfall-edge countertops. Designer tile sourced from Spain and Italy, paired with warm European finishes, elevate the interiors with a distinct sense of luxury. Fleetwood sliding doors lead to an expansive and private backyard oasis—a sun-soaked retreat designed for both relaxation and entertaining. At the heart of the outdoor space is a stunning pool, surrounded by lush landscaping, a tranquil water feature and a built-in grilling area perfect for weekend gatherings. As day turns to night, multiple fire pits and thoughtfully placed LED lighting transform the space into a captivating outdoor lounge. Inside, ambient LED lighting continues throughout the home, while downstairs, an additional entertainment area with a full bar offers the ideal spot for casual evenings in.

Upon its meticulous remodel, the home was certified toxin-free, ensuring peace of mind and modern healthy living. This home offers a lifestyle designed for those who appreciate clean lines, inspired design and effortless California living.
