Residential on 2 Acres

N/A, Torrance,

This stunning end-unit townhome underwent a \$200,000 remodel in 2017, transforming it into an elegant, modern residence. The kitchen is a chef's dream, featuring custom cabinetry with convenient slide-outs, gorgeous countertops and glass wall tile, a stylish new refrigerator/freezer, and a wine refrigerator. Throughout the home, you'll find updated windows, flooring, bathrooms, Silhouette window treatments, upgraded electrical and plumbing systems, and more. Enjoy the quiet location—this unit does not face Plaza del Amo—and it's just steps from the clubhouse and pool. For year-round comfort, the home offers forced-air heating and a new A/C unit (for those unseasonably warm days) installed just a few years ago. It's gorgeous. There is not another complex/community like Windemere! It's like a destination resort minus the restaurants—offering exceptional amenities: a picturesque outdoor pool and spa, fitness facilities, and beautifully maintained grounds. There's no need for a gym membership; everything you need is here. And....don't overlook these important inside-the-home amenities: Downstairs there is a garage-adjacent and sweet, bedroom-size room perfect to set up as a workout room, to run a home-based business or as a place to enjoy your hobby. The secondary bedroom has a deep soaking tub!~ All appliances stay. Master bedroom suite has a built-in chest of drawers and desk! Plus, the remodeled walk-in closet will tantalize you with

custom built-in drawers. Window coverings throughout feature top-down, bottom-up options of cellular shades. This home is classy! From the moment you (or your loved ones and guests) step inside you'll both see and feel the difference.
