Beautifully remodeled home in the heart of Lunada Bay. The entire kitchen was redone and designed by Norman Design Group. Kitchen comes complete with recent MIELE Appliances. Complete with a Miele CVA 6800 24" Clean Touch Steel Built-in Coffee Machine, and below that multiple temperature controlled compartments for drinks or snacks you want cold without cluttering up your actual freezer. The Brand New refrigerator is built into the wall with doors that perfectly match the rest of the cabinetry, making the even the most OCD person feel at peace. This kitchen has 2, ya I said it.. 2 NEW Miele Dishwashers. The gigantic island is so big you'll never worry about lack of counter space again, and the new farmhouse style sink makes washing your hands fun again. The picture would not be complete without all new recessed lighting on dimmers allowing you to set the mood anywhere you want throughout the home. The primary bedroom and bath were remodeled and designed by Norman Design Group. Brand new windows were installed in each room of the home including all 3 large sliding glass doors. The sliding glass door in the kitchen leads out to a wrap-around court yard secluded by 2 double Dutch doors that can be closed from the bottom and left open at the top creating the perfect indoor/outdoor flow. The 2nd bathroom was also remodeled recently. Stacked washer & dryer for you to use as well. This home is located within walking distance of Lunada Bay Elementary, Palos Verdes High

School, and PVIS Middle School.
