Residential on 0 Acres

N/A, Torrance,

Welcome to 5545 Konya Drive â€” a beautifully updated, single-level home nestled in one of West Torranceâ€™s most desirable neighborhoods. Situated on a generous 7,684 sq ft lot, this 4-bedroom, 2-bathroom residence offers 2,173 sq ft of thoughtfully designed living space.

Step inside to a warm and inviting formal living room that overlooks a charming courtyard, setting the tone for this well-loved home. The kitchen, remodeled within the last several years, features rich cherrywood cabinetry, an oversized island, abundant storage, and ample space for those who love to cook and entertain. Just off the kitchen, sliding glass doors open to the ideal spot for a backyard BBQ.

This is not a flipâ€”this is the first time this cherished home has been on the market since 1992. In preparation for sale, many upgrades were completed under the guidance of an interior designer, who curated finishes and colors to highlight the homeâ€™s full potential. Enjoy two stunning new bathrooms with high-end finishes, fresh interior and exterior paint, all-new lighting throughout (inside and out), and new carpet in the bedrooms. Major system upgrades include a brand-new electrical panel and full rewiring completed with permitsâ€”offering both beauty and peace of mind.

While the home is move-in ready, thereâ€™s still room for future customizationâ€”giving you the opportunity to add your personal touch.

Curb appeal shines with a freshly landscaped front yard and manicured lawn, plus a spacious backyard with lush grass and several mature fruit trees. A 2-car garage with direct access completes the package.

All of this is just one block from Sunnyglen Park, less than a mile to award-winning elementary, middle, and high schools, and under a mile to the sand in Redondo Beach. Plus, youâ€™re just four miles to the nearest freeway for easy commuting.

Whether youâ€™re relaxing at home, entertaining in the spacious yard, or enjoying the best of the South Bay lifestyleâ€”this is the one you've been waiting for.
