Residential on 0 Acres

N/A, Redondo Beach,

Donâ€™t let the address fool you - tucked away at the rear of the property, 417 Anita Street #B is a serene, private sanctuary with jaw-dropping ocean views and a grand sense of space that lives like a single-family home. Step inside and youâ€™ll be struck not just by the view, but by the stillnessâ€”the only thing more commanding than the silence is the stunning scale of the space itself. Itâ€™s quiet, calm, and entirely unexpected.

From the moment you step inside, the size is undeniable. Soaring ceilings, floor-to-ceiling windows, and a sweeping open floor plan define the main level, where natural light floods in and the Pacific Ocean serves as your daily backdrop. Anchored by a stunning 8-foot island, the chefâ€™s kitchen flows effortlessly into the dedicated dining room and living spaces, extending out to a pebble tech-finished balcony that captures the endless blue, perfect for coffee at sunrise or cocktails at dusk. Just off the kitchen - ascend to the private rooftop deck, where panoramic ocean views stretch from sunrise to sunset - an ideal backdrop for entertaining or unwinding above the city.

With over 2,900 square feet, this elegant and grandiose residence offers a layout that balances luxury and functionality. On the entry level, youâ€™ll find three spacious bedrooms, including a dramatic primary suite with direct backyard access, a large walk-in closet, and a

spa-inspired bath with dual sinks, a separate make up vanity, soaking tub, and oversized shower with dual shower heads. The conveniently located spacious laundry room has plenty of storage and a sink all just steps from the bedrooms, designed for modern ease.

Downstairs, a private en suite bedroom is perfect for guests or a home office. And unlike most homes in the area, this one boasts a rare, lush backyard - ideal for entertaining, lounging, or simply enjoying the ocean air in peace.

Top it off with real hardwood floors, dual-pane windows, central A/C, a two-car attached garage plus an additional dedicated parking space.

Set far off the street with zero traffic noise, this bright and quiet rear unit offers the best of coastal living—grand in scale, rich in detail, and elevated by views in nearly every direction. This is not your average townhome—this is a Redondo Beach stunner designed to impress.
