

\$1,649,000 - 4807 Asteria Street, Torrance

MLS® #SB25172375

\$1,649,000

4 Bedroom, 2.00 Bathroom, 1,710 sqft

Residential on 0 Acres

N/A, Torrance,

Tucked away on a quiet street in the heart of West Torrance, this meticulously remodeled Mid-Century Modern ranch home blends timeless design with high-end contemporary upgrades, creating a stylish retreat with no detail overlooked.

It's clear this home was reimagined with intention. The open-concept living space is anchored by a sleek 72" electric fireplace, framed by clean lines and natural light pouring in. Luxury vinyl wood flooring stretches throughout, providing a cohesive flow that leads you into the show-stopping kitchen – a true centerpiece of the home. Outfitted with black stainless steel appliances, including a 36" Z-Line 6-burner gas range with electric oven, Samsung Family Hub smart refrigerator, wine fridge, and microwave, this kitchen was designed for both function and form. Marble countertops, an oversized island perfect for gathering, a Kohler farmhouse sink, and under-cabinet lighting elevate the space even further.

Both bathrooms are curated with spa-like sophistication. The hall bath features Kohler fixtures, a light-up mirror, custom shower door, and soaking tub. The primary suite is a serene escape with a spacious walk-in closet (plus a bonus closet), and a magazine-worthy ensuite bath. Here you'll find an extra-large frameless shower with upgraded glass, a deep stand-alone Kohler tub, double vanity, illuminated mirrors, and an Ove bidet toilet with all the tech-forward comforts.

Step outside to a private backyard that stuns at sunset, complete with a gas fireplace and views that stretch to downtown Los Angeles. Itâ€™s the perfect space to unwind or entertain under the glow of Govee smart eave lighting â€“ festive all year round. This smart and secure home includes a Ring doorbell camera, four Reolink outdoor surveillance cameras with DVR, a data cabinet with CAT6 and RG6 wiring to every room, and a brand new electrical panel and sub panel in the garage. Additional upgrades include a new AC and heating system, tankless water heater, sleek black gutters, and all-new Anderson windows and doors throughout. Every finish, fixture, and feature in this home was thoughtfully selected to offer elevated living with a nod to classic mid-century charm â€“ all in one of the South Bayâ€™s most beloved neighborhoods.

Built in 1961
