2 Bedroom, 2.00 Bathroom, 1,173 sqft
Residential on 0 Acres

N/A, San Pedro,

This breezy 2 bedroom 1.5 bath 1914 craftsman home boasts an open floorplan with plenty of natural light, original wood floorings, vaulted ceilings, and built-in cabinets in the dining room. Despite being located only blocks from the harbor and walking distance to downtown San Pedro and the all-new West Harbor waterfront development, this property sits on one of the quietest blocks youâ€™ll find! The southern facing deck off the kitchen is perfect for entertaining or a relaxing dinner with friends, and with the click of a remote, the automatic gate at the rear of the property opens to allow for parking of 5-8 cars, or an RV or boat amongst the established avocado, orange, mango, and guava trees. For the investor, this property has endless possibilities to build equity, be that by finishing the attic and adding a second floor or by building an ADU in the large backyard. Whether you are looking for a home to spend the rest of your days or a property to build out and create wealth, 373 W Santa Cruz St might just be it!
