3 Bedroom, 2.00 Bathroom, 2,200 sqft
Residential on 0 Acres

N/A, Manhattan Beach,

Situated on one of South Manhattan Beach's most sought-after streets, 424 3rd Street is framed by olive trees and wide sidewalks, offering both beauty and walkability. This stunning, 2003 Jon Starr remodel boasts approximately 2,200 square feet of thoughtfully designed living space, including 3 bedrooms, 2 bathrooms, a dedicated office, and a seamless blend of style and functionality.

With a design inspired by coastal living, this home features elegant details such as teak deck railings, mahogany windows, and artisan finishes—capturing the essence of a traditional beach cottage with clean modern lines. It's the perfect coastal retreat for those seeking character, sophistication, and comfort.

Just a short stroll to award-winning Robinson Elementary, the beach, and the vibrant downtown filled with shops and restaurants, this home offers a true "flip-flop lifestyle" with an exceptional walkability score.

The primary suite is a standout, featuring vaulted ceilings, smooth plaster walls, extensive built-ins, a luxurious bathroom with custom stone flooring, and an impressive custom walk-in closet. The chef's kitchen, flooded w/natural light from three new skylights, and equipped with a Sub-Zero refrigerator, Meile dishwasher, large Viking range and opens to the inviting family room.

Large sliding doors offer views of the charming patio and side yard, creating an ideal flow for indoor-outdoor living. Additional highlights include: Multiple skylights bringing in abundant natural light, upstairs laundry room, two-car garage, private office adjacent to the primary suite, and one secondary bedroom currently configured as an office which can easily be converted back. In a market with limited inventory, 424 3rd Street stands out as a truly special offeringâ€”an exceptional home in an unbeatable, South of the Pier, quiet, location.
