Spacious South Torrance Single-Level Home with Detached Bonus Room

Welcome to this beautifully updated single-family home offering over 2,000 sq.ft. of living space—all on one level—in desirable South Torrance. Freshly painted inside and out.

Inside, you'll find a wood floor living room that flows into a chef's dream kitchen, complete with custom cabinetry, granite countertops, and a professional-grade 6-burner stove. The expansive great room is the perfect gathering place, featuring a striking stone fireplace, vaulted ceilings, and a built-in desk with shelving.

The oversized primary room—converted from the original garage—boasts dual closets with organizers and double glass door to side yard. Two additional bedrooms include a flexible oversized room (combined from two) with mirrored closet doors and another well-sized bedroom. The remodeled bathrooms are designed with style and function in mind: one with a shower and the other with a tub and sleek glass enclosure. A convenient side-by-side laundry closet with shelving adds to everyday ease. The main house is equipped with A/C.

Step outside through glass doors to an entertainer's paradise. The backyard and side yard offer a stone patio with a built-in BBQ with counter, grill, and mini refrigerator, plus a putting green for fun at home. A detached, permitted bonus room with recessed

lights and sliding glass doors provides endless possibilities—use it as a recreation room, home office, man cave, she shed, or even explore modifying it into an ADU.
