Zoning

Welcome to Vista Del Oro, one of San Pedro's most desirable neighborhoods. This two bedroom, one bath home sits on a large lot with a pool and offers a rare chance to create something special. The property is in vintage condition and will need extensive work, but the potential is obvious from the moment you arrive. Bring your builder, designer, and your vision.

With RD1.5 zoning, buyers should check with the City for possibilities that may include adding an ADU, expanding the existing footprint, or future residential development. The setting is ideal for those looking to reimagine a classic home while preserving the authentic character of the community. Everyone talks about the old San Pedro being torn down, here is a chance to save a vintage gem.

Vista Del Oro is known for its tree lined streets, neighborhood pride, and location at the Center of LA's hottest area. It offers close proximity to Cabrillo Beach, Point Fermin Park, schools, and the waterfront. San Pedro is in the midst of a renaissance, with the new LA Waterfront development, a growing downtown dining scene, and a mix of historic charm and new energy that continues to attract buyers from

across Los Angeles.

This is more than a house for sale, it is an opportunity to invest in the future of San Pedro while holding on to its past.
