Amazing opportunity to own a completely rebuilt duplex, perfect for an extended family, an owner-user, or a savvy investor. Rebuilt from the ground up in 2021, this property was meticulously designed to maximize space and offer a welcoming, modern feel. The rental income from one unit can provide a powerful financial advantage, helping you build equity faster. The identical floor plans of each unit provide comfortable and private living arrangements for multi-generational families. Move in and start enjoying your new home immediately without the stress and cost of a remodel, or rent one or both units and enjoy immediate return on your investment. Both units share the same 2-bedroom, 1-bathroom layout and are finished to the same high standard. Every element was replaced during the rebuild, including luxurious flooring, new kitchens with new appliances, and new bathrooms. The property also features new plumbing with tankless water heaters, a new electrical system, new heaters, a new roof, and new windows. Each unit includes its own in-unit laundry facilities for added convenience. The property provides ample parking for up to 5 cars on the front driveway. The owner has also thoughtfully added a studio and a shed, both with solar power (perfect for a home office, gym, or guest room), and three additional storage units. Low-maintenance landscaping helps keep water bills down. Situated on a quiet street, the location is excellent, with parks, stores, and dining

options nearby. Plus, there's easy access to the freeway for a quick commute. This turnkey property is guaranteed to impress. Schedule your visit today to see this outstanding property!
