N/A, Redondo Beach,

Welcome to your Forever Home!

Offered for the first time in over 50 years, pride of ownership shines throughout this lovingly maintained and recently refreshed single-story home on a flat, quiet block in one of the most desirable pockets of the South Bay.

Once inside, you will be drawn to gather around the warm hearth, with the oversized picture window framing your holidays. The expanded primary bedroom includes an en suite bathroom with double sinks and a large walk-in closet, features not typically found in homes of this vintage. French doors open from the airy primary suite to your lush patio, providing an equally perfect spot for family breakfasts, entertaining friends for evening cocktails, intimate morning coffee or maybe even a hot tub!

Outside, this classic Southern California "birdhouse ranch" style home overflows with curb appeal, with features like window shutters, a white picket fence and rose bushes. The backyard offers a mix of hardscape and softscape: a curvilinear rock wall and natural stone patio expand the home's usable space, mature trees give a sense of history and character; a grassy sideyard easily accommodates pets.

Improvements in 2025 include refinished original hardwood floors, new tile flooring in the kitchen and all 3 bathrooms and new

carpet and interior and exterior paint. Move in with confidence knowing that the home has air conditioning, copper piping and a newer roof. Other practical features include generous built-in storage and a utility porch.

Locals know that charming homes in this condition rarely become available in this desirable pocket of the South Bay. Come quick and make holiday memories this year!
