Residential on 0 Acres

N/A, Redondo Beach,

This expansive South Redondo Beach home is set up to make the most of its elevated Palos Verdes views—especially from the deck, where you can watch both the sunrise and the sunset. Inside, the entry opens to vaulted, intricately beamed ceilings and an open main living space with wood floors, abundant windows and a local stone fireplace that anchors the room. Sliders off the living area lead directly to the view deck—perfect for grilling, relaxing, and taking in the changing light throughout the day. The open kitchen faces the view and features granite countertops, stainless steel appliances, and a casual breakfast bar. Upstairs, there’s a roomy bedroom and full bathroom, ideal for guests, an office or a flexible secondary suite. Downstairs, the primary bedroom stands out with glass-paned double entry doors, a stone fireplace and a slider that opens to the private backyard. Two additional bedrooms are light and bright with high ceilings; one includes sliders to a lower deck, with steps down to a large yard area ready for someone to finish and personalize. The lower level also includes two full bathrooms, a large storage/utility room and a spacious laundry room. A well-located Redondo Beach home with strong views, indoor-outdoor flow, an attached 3 car garage, A/C unit and space to customize the yard to your style—plus peace of mind with the roof replaced in 2023.
