3 Bedroom, 3.00 Bathroom, 1,922 sqft
Residential on 0 Acres

N/A, Torrance,

Welcome to 1338 W 221st St – a beautifully refreshed 3-bedroom, 3-full-bath home offering 1,922 sq ft of living space on a rare 9,002 sq ft lot in Harbor Gateway.

Don't let the 1922 build year fool you. The previous owner completely demoed the house down to the studs, added substantial square footage, and brought it to modern standards. The current owner continued the transformation throughout the years with a full kitchen remodel (quartz countertops, European-style high-gloss cabinets, and a large island), updated bathrooms, new flooring, a new roof, an updated electrical panel, custom-designed doors, and many more.

The standout floor plan features two dedicated primary suites, each with its own private full bathroom – perfect for multi-generational living, guests, or maximum owner privacy and convenience:

Spacious primary suite with a generous bedroom and en-suite bath.

Junior primary suite offering a second private retreat with its own full en-suite bath (ideal as a secondary owner's suite, teen space, or home office).

The chef-inspired, custom-designed kitchen features two ovens, a built-in microwave, three spacious pantries, and a large island with ample storage. The 200 sqft covered patio, accessible via the kitchen sliding door, creates

a seamless indoor/outdoor atmosphere. This kitchen is ideal for hosting memorable holidays and birthday celebrations.

Energy-smart living is built in: a paid-off solar system (often resulting in near-zero utility bills), well-insulated walls, attics, and crawl space to keep this home cooler in summer and warmer in winter, a dedicated EV charger in the detached 2-car garage, and a whole-house water filtration system.

Outside is your private sanctuary: a wide, quiet street with easy parking, no apartments or overlooking neighbors, and a fully landscaped front and backyard featuring a 200 sq ft covered vinyl patio and a productive fruit orchard (3 persimmon, lemon, passion fruit vines, jujube, peach, and plum). The custom-designed front yard will make you feel like you are walking in the park. This rare, large lot offers true seclusion and space you won't find in most neighborhood homes. This turnkey home delivers lifestyle, privacy, and long-term savings that are hard to match. Come see it in person – you will be impressed.
