ATSoutheast(40), Atascadero,

Welcome to your slice of paradise! This 3 bedroom, 3 bath condo has a remodeled kitchen (2024) including owned reverse osmosis drinking water system, waterfall sink with bar glass rinse, all new LG dishwasher, refrigerator, gas range and new quartz countertops. Downstairs bathroom remodeled in 2024 featuring a large massage shower with river-rock floor and bench, plumbed to accommodate a steam generator. The lovely red brick wood burning fireplace sets the tone in the inviting living room. The backyard is an oasis from the world with a hot tub and shade pergola enclosure with misting system. The primary suite has a hidden feature: if you look closely; the full-length mirror in the adjoining bedroom/office doubles as a door to the primary bedroom for the option of an expanded suite, access to babies room, or just privacy from the rest of the home. This home is close to shopping, restaurants and the beautiful Sunken Gardens at the city center. New hot water heater and 2-year-old water softener are included. Air conditioning and heating systems have been serviced, cleaned and maintained twice per year and a Nest thermostat can be controlled locally or from your smart phone. The friendly Home Owners Association is made up of each of the 6 unit owners making it easy to discuss issues and upcoming projects. The very affordable \$190 monthly HOA fee includes water, trash, recycling, common area maintenance including roof, driveway, master insurance

policy and landscaping. Association tented all 6 units in 2024. Regular pest control maintenance is scheduled quarterly. Association is currently planning new front gates, fencing, facia, and eve repairs.
