Residential on 0 Acres

Happy Hill(410), Cambria,

Do you want a cool project that already has a lot going for it? Wellâ€here you go! This three bedroom, 1.5 bath house has been loved by the same family for 60 years! They have recently put in new kitchen cabinets, a new Corian kitchen countertop and sink, new flooring and appliances. They have also updated the bathrooms, as well as put in dual pane Milgard windows. And when the old carpet was pulled up, we confirmed that the house was originally built with real hardwood flooring. It definitely needs updating, but donâ€™t we all! 8-) The best part might be that once you are up to three steps into the house, itâ€™s SINGLE-LEVEL LIVING! Additional features include a detached single car garage, a 300 square-foot bonus room in the back, and a 6,750 SF lot that gives you lots of options for future fun!

Built in 1964
