East of 101(500), Arroyo Grande,

Immaculate, single-level beauty nestled in the corner of a cul-de-sac in this well-established neighborhood that is just minutes from the village of Arroyo Grande. The curb-appeal begins with the mature Ash tree and a large stamped concrete driveway that leads to a light-filled and spacious home. Once inside you'll appreciate the upgraded kitchen and bathrooms, recessed lighting, dual pane windows, living room with gas fireplace, separate office space AND a large family room in the rear that has a wet bar, built-in cabinets, picture window with views of the hillside, wood-burning SECOND fireplace, 1/2 bath and french doors that lead to the sunny brick patio with a built-in BBQ, ALL OF WHICH COULD EASILY BECOME AN ADU for rental purposes or generational living!! Lots of unique outdoor spaces on this large lot that include an enclosed vegetable garden, fruit trees galore, in-ground fountain and custom gates that provide protection for little ones or pets. The primary room has a large walk-in closet and an additional bonus area that could be used as a second office, craft room, nursery or whatever you can think of. Solar powered, freshly painted and just waiting for it's next owner. The historic village is the heart of the town and mere blocks away; Arroyo Grande also offers great dining, music, theatre, wineries, shopping and is short drive to the beautiful Pacific Ocean!
