N/A, Oroville,

Welcome home to 180 Mountain View Drive! This 3-bedroom, 2-bath home features a cozy living room with a wood-burning fireplace, a separate room that would be perfect for an office or a kids' playroom, and an enclosed sunroom that could be used for entertaining family, as a great reading area, or even a yoga studio! The main house has a 1-car garage, but there's also a 2-car detached garage behind the house, providing plenty of space for parking, creating a workshop, or using as storage. Sitting on over 1/3 acre, the expansive front yard sets the house far back from the road, and the backyard is ideal for raised gardening beds, perfect for planting fresh flowers or veggies. If you're looking for a charming home that's both close to all the amenities in Oroville and the outdoor recreation options Lake Oroville offers, but still outside the hustle and bustle of town, this might be the perfect home for you.
