N/A, Chico,

Pulling into this westside Chico neighborhood and making your way to the end of the lovely cul-de-sac, you are surrounded by beautifully manicured yards and gorgeous trees and bushes lining the wide street. Once at the property you are greeted by the low maintenance and well established yard, including flowering trees of pomegranate, olive, plum, peach, rosemary and Japanese Maple. The front covered patio is a peaceful place, not only to enter, but also to sit and listen to the wind through the garden of trees. Passing through the extra tall wooden door you find yourself in the entry, with a cathedral style ceiling and high windows. Working your way into the home there is a 'great room' style living room that is open to the kitchen and dining area. There are 9 foot ceilings throughout, Trayed ceilings, and crown molding providing an attractive look. The windows are extra large and bring in ample natural lighting. The kitchen is impressive, with light colored cabinetry, stainless appliances, dark quartz countertops, and a large island. A countertop gas range, built-in oven and microwave, and generous storage make this kitchen, dining area and living room an entertainer's dream. Do not forget about the cozy cornered fireplace for brisk winter mornings or comfort in the evenings. All this flows out to an impressively sized backyard lit up with strands of lights on the surrounding fence, creating quite the ambiance. There is plenty of room for a pool if desired, and still space for planter

beds or a garden. Sit on the back covered porch and take in those colorful sunsets, or simply enjoy the quiet sounds of nature. And be sure to notice the lemon, lime and mandarin trees plus beautiful grape vines. Back inside, the indoor laundry provides gas and electric dryer hookups, with a great deal of storage. The primary suite allows access to the backyard as well, and is very spacious with a large walk-in closet. The primary bathroom has an amazing soaking tub and a separate walk-in shower. Both bathrooms offer dual sinks, and the guest bath provides a shower tub combo. The extra bedrooms are very spacious with much to offer in closet space. The finished garage has storage options for all your holiday items. With this home comes a nice location that allows for peaceful and colorful walks down Bidwell Avenue or make your way down to play at Oak Way Park. Better than new, this house is clean, fresh, and ready to call your home!
