Residential on 0 Acres

N/A, Chico,

Hidden away between East Lassen and Panama is a cute little street called San Jose. Here you will find an adorable home that may be absolutely perfect for you! Since 1967, this house has been loved and enjoyed by only one owner. When you see it, you will know why.

The adorable kitchen looks out over the front yard and is complete with a dishwasher and new refrigerator in 2024. There is an electric range but if you prefer to cook with gas, it is stubbed out behind the range.

There are two living areas to enjoy. The living room has a large picture window overlooking the shaded backyard, and the family room has a wood-burning fireplace insert to cozy up on those cool nights.

There's a primary bedroom with an ensuite bath, and two additional bedrooms share a hallway bath. Don't take my word for it, but we think there are hardwood floors underneath the carpet. Who doesn't love vintage wood floors?! The Water Heater and HVAC have been updated, and there's a whole-house fan to draw in the cool morning/evening air. A new roof was installed in 2012.

I'm sure you will fall in love with this wonderful home, but if you're not quite there, let's go check out the backyard! There's a large concrete patio where you can enjoy the afternoon underneath a gorgeous sycamore

tree. Green grass and shrubs all around complete the scene. This home sparkles and shines! Be sure to put it on your next tour!!
