N/A, Orland,

This one won't last long! A great price in a great neighborhood for a home that needs some light maintenance. An open living area off the kitchen creates a great social space to entertain. The master bedroom has the guest bathroom between it and the other bedrooms. Plenty of natural light makes its way into this home. On your front and back porch, you will love the wood panel ceilings on the overhangs with recessed lighting. The garage is finished and clean as well. There is a lot of upward potential on this home; see it today!
