Location, Location, Location!

This gorgeous, completely renovated, energy efficient 2 story home is located in a quiet cul de sac, near schools, shopping and restaurants. The second floor and part of the first floor were recently built in 2019 adding two large bedrooms, balcony and a bath. One of the rooms is currently being used as a studio and another one on the first floor was converted to an office.

The house has all the comforts you can think about; 2 air conditioning units, fully paid off solar panels, new hardwood and porcelain tiles floors, gas fireplace, new kitchen and dining area, new bathrooms with spa bath tub and a steam shower room, his and hers closets, water softener and filters. The backyard is very private with a garden and a new pool, heated by a separate solar system. The front yard is beautiful and newly paved. All of this was built with love.
