****BEAUTIFUL HOME WITH PAID OFF
SOLAR****

Located in a premium location, this stunning 2018-built home is better than brand new and packed with upgrades. Featuring a fully paid-off solar system, a whole-house generator battery, and an electric car charger, this home is designed for energy efficiency and modern convenience. Step inside to discover custom wood flooring throughout. Off the entryway, a spacious home office w/ bookshelves (could be a 4th bedroom) provides the perfect workspace. The split floor plan offers privacy and functionality, with two generously sized guest bedrooms sharing a hallway bathroom. A separate powder room is conveniently located off the kitchen for visitors. The chef's dream kitchen is a standout feature, with custom cabinetry, pull-out shelves, premium Viking appliances, and an oversized center island perfect for meal prep and gatherings. And the walk-in pantry? It's so spacious, it could double as a second kitchen! The kitchen flows seamlessly into the family room, creating an open and inviting space for entertaining. The primary suite is a private retreat filled with natural light. The attached bathroom features dual vanities, a soaking tub, a separate walk-in shower, and a spacious walk-in closet with custom organization. Before stepping into the entertainer's backyard, you'll appreciate the extra concrete and large gated access from the front yard, providing great

entry to the mini garageâ€”perfect for additional storage, bikes, motorcycles, or a hobby space. The beautifully designed backyard is low-maintenance, featuring a covered aluminum patio with stamped concrete, an outdoor fireplace, BBQ with a natural gas hookup, and plenty of space to entertain. Don't waitâ€”this top-of-the-line, premium home won't last! Stop the car now and get your keys before someone else does!

Built in 2018
