If you are ready to make your perfect home vision become a reality, this home is the perfect figurative 'blank slate' with which to start! Â This perfectly situated, large lot home affords almost endless opportunity to bring your dreams to life. Â With a flowing, open floorplan encompassing over 2,000 square feet of living space, there is more than enough room to accommodate any number of living configurations: Â The first floor bedroom and full bathroom allow the possibility of hosting a multi-gen family, hosting guests for short or extended stays, or just having a home gym or office; an oversized garage can be utilized for storing toys or serving as a work/hobbyshop area; and the sprawling yard means there is ample room for potentially adding a pool or even an ADU (or both!) with space to spare! Â And of course the exceptional location, at quite nearly the literal center of Santa Clarita, means that getting wherever you want to go - around town or beyond - is always a breeze. Â Whatever your perfect version of Santa Clarita living might be, 20413 Kesley Street is ready!
