The open-concept living room features a vaulted ceiling, classic exposed ductwork, and a gorgeous wood-burning gas fireplace. The upgraded carpet adds coziness, while the retro black-and-white checkered tile flooring brings character. The primary suite is a relaxing retreat with French doors to the patio, a spacious closet, and a spa-like bathroom with a soaking tub and separate shower. Secondary bedrooms are roomy, with ceiling fans and mirrored wardrobe doors, while the hall bath features beautiful cabinetry and a stall shower.

Additional highlights include high-efficiency heating and cooling, a tankless water heater, a central vacuum, an intercom system, an interior sprinkler system, and RV parking behind a large gated driveway added to the 4 garage spaces.
